Your Health is Our Concern

Introduction

SPC was founded in 1971 to rationalize the use of pharmaceuticals in order to ensure that only essential pharmaceuticals were imported in accordance with the government policy prevailing at the time.

SPC is the largest organization supplying pharmaceuticals for over 4 decades in Sri Lanka. It's a scientific and market driven organization. SPC celebrates 42 years of excellence in providing quality, safe, efficacious pharmaceuticals at affordable prices to the nation.

Our Vision

To be the leading health care organization of the nation.

Our Mission

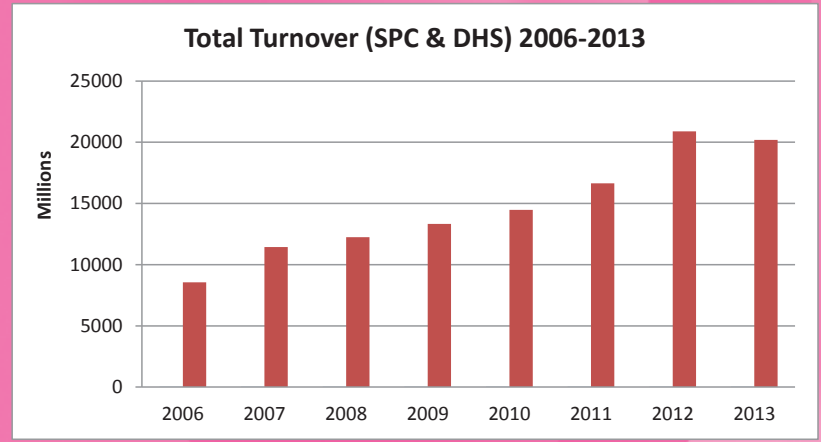

To serve the general public of Sri Lanka by providing safe, effective, quality medical products and health services at affordable prices, while promoting the usage of generic drugs.

Our Pioneer

Professor Senaka Bibile established a highly successful set of pharmaceutical policies in Sri Lanka and assisted other developing countries in formulating rational and efficient approaches to their pharmaceutical problems.
